

CHIDDINGLY VILLAGE SHOP & CAFÉ NEWS – MARCH 2022

Springtime!

Hopefully by March we will be experiencing some sunny spring weather. We will be selling some spring planted pots from Rivermead Nursery (Vines Cross), perfect for Mother's day. Our window will also have some other bright and cheerful gift ideas displayed, come and have a look.

Free Recipes

The volunteers are kindly sharing some of their favourite recipes. Each month or every few weeks a new recipe will be available in the shop, advertised on the blackboard just inside the shop door. The volunteers might even share a joke on the back of the board! All ingredients for the recipes will be available in the shop of course.

Ecovibe

Please let us know what you thought of the Ecovibe products; Which products would you like us to carry on stocking? Are there are other eco versions of current products that you would like to see us selling? As your community shop we want to try to meet your needs as much as possible.

Easter

We have a selection of Easter eggs in the shop, we would love next year to sell Easter products made by local people. If you know any chocolatiers or crafts people who would like to make Easter (and/or Christmas) gifts for the shop please let us know.

Art Wall

Some of the children from Chiddingly Primary School will be exhibiting on our art wall during March, we can't wait to see their creations!

Tom

As many of you know we have been lucky enough to employ Tom as a trainee manager for the last 6 months through the government funded Kickstart scheme, we are pleased to announce that Tom is such an asset to the shop and café and although the six months of funding has finished we will continue to employ Tom on a more part time basis.

Volunteers

The new volunteers are doing brilliantly but we will always welcome more on to our team especially as we head towards summer when it will get busier and busier! Pop in to find out more about what role you could play in your local community shop and café.
