My favourite thing about Chiddingly Shop & Café is...

Have you picked up a discount postcard yet? All you have to do is fill one in and when you bring it back you get either a free hot drink or 10% off your shopping!

Art Wall

Chiddingly School will be displaying their artwork in July, we're looking forward to seeing what has inspired them this month!

Calendar 2023

We would love more photos for the 2023 calendar! If you are unsure if your photos are the right size then send them anyway but it would be great if they could be high resolution (preferable 300dpi) and a minimum of 20cm x 12cm in size.

Please email photographs to manager@chiddinglyshop.org complete with your name, what month you took the photograph and a title for the photograph. All photographs must be received by 31st August 2022.

Volunteers

More help is always welcomed and volunteering is good for your mental health, pop in and find out how to support and sustain your local community shop.
