

# November News

**Christmas is on it's way! As usual we will have lots of lovely Christmas goodies for sale!**

## Christmas Turkeys

Everyone really enjoyed the Turkeys from Meadowbrook Farm last year so they come highly recommended. Pop in for a 2022 order form, bring it back before December 1<sup>st</sup> and your turkey will be ready for collection on the 23<sup>rd</sup> or 24<sup>th</sup> December!

## Christmas Celebrations

We are planning a Christmas community event on December 1<sup>st</sup>, at the time of writing this we are not yet sure what the day or evening will entail so watch out for more news! We will be launching the advent windows on this day too.

## Volunteers

We value all our volunteers at Chiddingly Shop & Café, everyone's contributions are much appreciated however much time they give up to support us. Volunteering at the shop isn't just about working behind the counter, there are lots of other people that help in different ways:

- Leigh dresses the display window which always looks fabulous after she's been in.
- Jenny brings in beautiful flowers for the café tables and plants for the tables outside.
- Tony replants the window boxes with beautiful, seasonal plants.
- Suzanne does food hygiene courses for us all and is always on hand to give professional advice.
- Anne supports us with first aid practical courses.
- Winnow makes delicious soup.
- Caroline, Belinda and Genevieve all bake flapjacks – our most popular seller.
- Isabelle hosts fun and productive French lessons.
- Cat & Tina organise the ever changing art wall.
- Mike provides IT support.
- Steve does our PAT testing.
- Dom, Lisa and Fin are repainting all the wood work on the building.
- Thank you to everyone that helps and please forgive me if I've missed anyone out.

If you are reading this and you have a skill that you think could help the shop and café we would love to hear from you. This is a community enterprise and it's lovely to have local people getting involved.

As always, we always need more people behind the counter, no experience is required, full training given, if you fancy a new challenge pop in to find out more.
