SUPPORT LOCAL

January and February have been very quiet in the shop and café, although this is to be expected at this time of year we would really appreciate the support from locals, the shop and café are such an asset to the village but we can only survive if people use us. Cost prices have increased enormously over the past year, we have tried to keep price increases to a minimum and our prices remain on par with other village shops and cafes. We can't of course compete with supermarkets but we can save you having to travel into town less often and we offer an interesting range of products, many of which you wouldn't find in the supermarket. If there are particular products that you would like to see on our shelves, please let us know and we will do our best to help.

MAILING LIST

Would you like to join our mailing list? Our aim will be to send you information about new products we are selling or to offer you special offers. Emails would be no more than once a week. If you would like to sign up to this let someone at the shop know or send an email to Sue: manager@chiddinglyshop.org

ORAL HISTORY GROUP

Does anyone remember the oral history group that Stuart used to organise at the shop?

Would anyone be interested in attending a new oral history group if it was reset up?

At the moment we haven't got a specific person to organise this but if you would be interested in attending, please let us know so that we know it would be worthwhile finding someone to run the group! Equally if anyone would be willing to organise this group please let us know! Chiddingly and the surrounding area is full of interesting buildings and incredible stories so there is plenty to learn about!

EASTER

Easter Sunday is on the 9th April but we already have some Easter goodies for sale.
