

News for September

SHOP AGM

The shop's AGM is coming up in October. Thursday October 26th at 7pm in the shop to be precise.

The shop is a Community Benefit Society owned by its shareholders and run by a Management Committee for the benefit of the community. The Society is non-profit making. Any financial surplus is retained and reinvested in the shop. The Committee is appointed by its shareholders at the AGM to run the shop for the next year.

Day to day running of the shop is responsibility of Sue Fletcher, the Manager, and most of the other people you will see in the shop and behind the scenes are unpaid volunteers.

So, who are the shareholders?

Shareholders are members of the community who have bought a £10 share. If you would like to become a shareholder, please check our website www.chiddinglyshop.org for an application form or email Michael Parr at cahoots1401@sky.com

All shareholders are welcome to attend the AGM where we, the Committee will report on the last financial year's results, and our plans for the shop's future, and where you, the shareholders, the owners of the business, can ask questions and offer your opinions.

Mike Goss

Chairman of Chiddingly Shop Management Committee
