Please let us know if you have any allergies!

Here is our menu! We may be quite small but we are always happy to book out the inside space for bigger groups, we can sit plenty of people with the tables moved around. It's always lovely to welcome groups of walkers, cyclists etc and of course as the weather gets warmer, we have plenty of comfortable outdoor space. With free Wi-Fi you can always use the café area for working or meetings while enjoying a delicious coffee, tea or other refreshments. We have just starting serving bacon rolls and bacon sandwiches using bread from Windmills in Langley and bacon from Turners butchers in Ringmer – come and give them a try!

Mother's Day – Why not bring your mum along to the café and treat her to something yummy in the café (of course we're not open on Mothering Sunday but do come along on a day we're open)! We also have lots of gift ideas including soap from The English Soap Company, loose tea from Tea 23,

biscuits from Horsham Gingerbread, jam from Wild Preserves to name a few – all produced within Sussex.

Easter – We will have some beautiful eggs for sale for Easter that contain organic vegan and dairy free chocolates! We will also have some other chocolate and Easter related goodies to tempt you with.

Our motto for February was **Shop Local – Think Local – Love Local** but perhaps this should be a consideration for all year round! Please use your local shop as much as you can, we love meeting and serving you all.
